Selectmen's Report

To the Citizens of Cornish:

We submit herewith a report of your town business for the year 1962.

We bought an A. C. 14 loader for highway use, trading in the former loader, the old road machine and crawler tractor with attachments, except the V plow, which was adapted to fit the new loader so it can be used for plowing snow.

T.R.A. money was used to extend the betterment project on Dingleton Hill north from where it stopped last year and down the hill to the Orville B. Fitch residence.

The Class V maintenance money was used to buy several culverts, tar the Lang Road and continue the betterment project on the crossroad between the so-called Cole place and the H. P. McClary farm house.

New funds received for the care and upkeep of cemetery lots were:

Arthur P. Thrasher lot in Child Cemetery	\$100.00
Bert E. Huggins lot in Child Cemetery	100.00
George Chester Huggins lot in Child Cemetery	100.00
Alonzo F. and Louise C. Spaulding lot in Child Cemetery	100.00

One interment was removed from the Comings Cemetery and the fund for perpetual care was refunded to the interested party.

Respectfully submitted,

JESSE B. DEMING
HERBERT H. HODGEMAN
HARRY J. NELSON

Selectmen of Cornish.

Town Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Cornish in the County of Sullivan in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Cornish on Tuesday, the Twelfth day of March, next at Ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

(a) Town Officers' Salaries	\$ 3,600.00
(b) Town Officers' Expenses	1,000.00
(c) Election and Registration	250.00
(d) Expenses of Town Hall and Other Town Buildings	1,500.00
(e) Employees' Retirement and Social Security	1,300.00
(f) Police Department	250.00
(g) Fire Department	800.00
(h) Moth Extermination and Blister Rust	300.00
(i) Insurance	450.00
(j) Damage by Dogs	175.00
(k) Damages and Legal Expenses	50.00
(l) Civil Defense	100.00
(m) Health Department, including Hospitals	50.00
(n) Vital Statistics	35.00
(o) Visiting Nurse	100.00
(p) Town Dump	100.00
(q) Town Maintenance, Town Highways and Bridges	20,000.00
(r) Street Lighting	198.00
(s) T. R. A. (State's share \$6,966.95)	1,045.04
(t) Library	700.00
(u) Town Poor, Old Age Assistance and Aid to Soldiers	2,500.00

(v) Memorial Day	50.00
(w) Cemeteries	700.00
(x) Town History	2,000.00
(y) Interest on Temporary Loans	200.00
Interest on Long Term Notes	280.00
(z) Payment on Long Term Note on Loader	2,000.00
(z1) Payment to Capital Reserve Fund for New Highway Equipment	1,000.00
County Taxes	Necessary Amount

3. By Request: To see if the Town will vote to raise and appropriate the sum of \$500.00 for Civil Defense Work.
4. To see if the Town will vote to raise and appropriate the sum of \$750.00 to be used in Celebrating the Bi-Centennial of the Founding of the Town, same to be used by the Joint Committee of the Town Committee and Old Home Day Committee.
5. To see if the Town will vote to raise and appropriate the sum of \$778.64 to pay the balance due on repairs made on the Library in 1962.
6. By Request: To see if the Town will vote to raise and appropriate the sum of \$400.00 to improve the approach to the corner in the road from the Littell Place to the St. Gauden's Road.
7. By Request: To see if the Town will vote to change the present law relating to Tax Collector's compensation to read as follows: The Collector of Taxes shall receive $\frac{5}{8}$ of 1% of all property and poll taxes collected and 3% of all head taxes collected, total compensation for all taxes collected not to exceed \$800.00.
8. By Request: To see if the Town will vote to widen three curves on the road from Glendon Smith Road to the Claremont Town Line, and use money for same from Duncan Fund or General Fund.
9. To see what sum of money, if any, the Town wishes to raise and appropriate for Advertising and Regional Associations.
10. To see if the Town will vote to instruct the Selectmen to sell, or otherwise administer, property acquired through Tax Sales and Liens.
11. To see if the Town will vote to instruct the Selectmen to borrow money, if necessary, in anticipation of Taxes.

12. To see if the Town will elect a Committee for a Memorial Day program.
13. To hear the Reports of Officers, Agents, Auditors and Committees hertofore chosen and pass any vote in relation thereto.
14. To transact any other business that may legally come before this meeting.

Polls will not close before 6 o'clock, P.M.

Given under our hands and seal, this 18th day of February, in the year of our Lord nineteen hundred and sixty-three.

JESSE B. DEMING
HERBERT H. HODGEMAN
HARRY J. NELSON
Selectmen of Cornish.

A true copy of Warrant—Attest:

JESSE B. DEMING
HERBERT H. HODGEMAN
HARRY J. NELSON
Selectmen of Cornish.

Respectfully submitted,

REGINALD P. DAVIDSON,

Town Treasurer.

REPORT OF THE HISTORY COMMITTEE

To the Citizens of Cornish:

At last year's Town Meeting you voted to print Volume III of the History. The contract with the Courier Printing Co. had not been signed when this report was written, but will be by mid-March.

The genealogical section is in galley-proof and ready to page; the narrative is ready for the initial printing set-up. About two-thirds of the entire manuscript already has been read by the Selectmen, and the remainder will be read before the book is printed.

The printers have given assurance that at the present rate of progress, the new history will be ready by June 15 and available for release any time thereafter.

Respectfully submitted,

HARRY D. WITHERILL
NORMAN A. CHABOT
BARBARA RAWSON

History Committee.

Highway Agent's Report

It is with mixed feeling and one of regret that I make my last report. I must relinquish my position as head of the Cornish Highway and Cemetery Departments. I can no longer do the strenuous work with the long hours this job requires on a full time basis. Therefore I am forced to retire.

To my successor my only wish is success for him and at any time I will give him (if he so desires) help, information or advice that my nearly two decades on this job have accumulated.

I want to express my gratitude and appreciation to my many friends and to the selectmen, Herbert Hodgeman, Jesse Deming and Harry Nelson for their mutual understanding of the problems this job requires; also to all the other town officers for their cooperation, and again to my employees for their steadfast loyalty and many years of hard work with me.

During my many years of service I had for my motto, "do the best you can under the circumstances", then you have the satisfaction of a job well done. I have had the pleasure of helping the Highway Department grow from a humble beginning from an old barn with a wood burning stove to the modern garage we now have with steam heat. I think we now have one of the finest Highway Departments. It will rank with the best of other small towns. We have graveled all main roads, some several times, and most all of the back roads and have widened them with limited equipment we then had. Many thousands of yards of gravel have been put on the roads. I have built fifteen steel and cement bridges (since this program was inaugurated in 1947) that were formerly wooden planked and I have repaired many wooden bridges and their abutments. I have installed and repaired many hundreds of culverts. All this has been accomplished with one thought in mind, economy, and the results have been most gratifying.

Again my sincere thanks to everyone.

Respectfully Submitted,

GEORGE S. GEER,
Highway Agent.

Report of the Fire Chief and Warden

The Cornish Fire Dept. was called nine times this year. There was one building fire, four chimney fires, and four grass and brush fires.

The Town voted to raise and appropriate the sum of \$2,800 for an addition to the Fire Station. The firemen and some of the town people did most of the work. The material was purchased wholesale for the town. We built the building, wired it, and put the heat in for \$2,063.32. It would have cost the town about \$3,800 to have it built by a contractor.

The firemen had some money that they raised by having a booth at the Cornish Fair with which they purchased a tank truck.

The Fire Chief and Warden telephone number is Claremont 54 3-3836.

The Cornish Fire Dept. telephone number is Claremont 54 2-4241.

ELLSWORTH H. ATWOOD

Fire Chief and Warden

PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control — pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.

5. Be sure your fire is dead out before leaving it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to install in the child's mind a respect for fires.

Keep our town safe from fires.

Report of the Cornish Civil Defense

Compared to last year, your Civil Defense program has been considerably more active this year and I want to thank the ones that took part in any way to make it a success. I was very encouraged by the response and the cooperation given me.

We started our years activities with three meetings; the first meeting was November 1st. at the Town Hall on fallout shelters. The attendance was very small and we do need more interested persons in this activity, because the fallout shelters are going to be a must if a Nuclear Attack should ever come to America, we would not have time to prepare a shelter after the warning signals sound.

The second meeting we had was November 15th. with Mr. Williams from Concord. He gave a very interesting talk on radiological monitoring. I was very sorry more of the Cornish people did not attend this meeting. On December 6th. we showed films on radiological monitoring, how dangerous fallout particles would be if families did not have a fallout shelter. It also showed instruments used to measure radiation. They were very interesting.

We have our communications all set up now. They are every Tuesday night at 6:45. We can talk from the Civil Defense headquarters to our bay station which is located at Mr. Ralph Train's on Dingleton Hill. Mr. Ralph Train can talk with Mr. Wilbur Overman. Our bay station can talk with Newport and New London. There have been nine race licenses issued to different persons in Cornish. We also have our police radio, that we purchased with matching funds, and it is a very nice set.

We urge you to join your local Civil Defense Organization and make a better organization for any emergency.

Respectfully Submitted

PAUL H. LaCLAIR

Civil Defense Director for
Cornish, N.H.

Books Acquired in 1962	273

Thanks are due to the following for gifts of books and magazines: — Mrs. William Bugbee, Mrs. Charles W. Crane, Mrs. Harriet Runnals, Mrs. Irene LaClair, Mrs. Arthur Densmore, Mrs. Grace Rawson, Mrs. Selma Lovejoy, Mr. and Mrs. Louis Towle, Burnham Carter, Ralph Brown, William Barton.

During the year 1962 we have not increased our circulation as much as we hoped. People continue to neglect to take advantage of their opportunity in this area.

We did take a big step in going ahead with repairs which have long needed doing. An accumulation of little things over 50 years led to a large repair bill which we regret. But if the library is to continue it has to be kept in repair.

The State Library is sponsoring a plan wherein groups of small libraries pool their book allowances in the States' care, thereby taking advantage of larger discounts available to the state as a purchaser. Most supply houses allow a 25% discount to small libraries. The State is allowed 35%. We hope to take advantage of this plan in 1963.

We sponsored a reading contest during the summer months among school children. The response as a whole was very small but we did award a year's subscription to the American Girl Magazine to Miss Cynthia Towle. She read over thirty books during the summer. We are very proud of her. We would like to continue this program if there is enough interest.

Paul LaClair, Civil Defense Director, has asked for the use of the Library basement for Civil Defense use and permission has been granted by the trustees.

School Warrant

Notice: Polls Will Be Open from 10:00 A.M. to 6:30 P.M.

State of New Hampshire

To the inhabitants of the School District in the Town of Cornish qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall, in said district, on the ninth day of March, 1963, at ten o'clock in the morning to act on Article 1; the meeting is to be recessed and opened again at 1:30 o'clock in the afternoon to act upon the remaining articles in the warrant:

1. To choose a Moderator, Clerk, Treasurer and Auditors for the ensuing year and a Member of the School Board for the ensuing three years.

2. To determine and fix the salaries of the School Board and fix the compensation of any other officers or agents of the district.

3. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.

4. To choose Agents and Committees in relation to any subject embraced in this warrant.

5. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, together with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

6. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or state agencies.

7. To see if the district will authorize the school board to appropriate receipts from federal lunch reimbursements, tuition, gifts and any other receipts from miscellaneous sources for the lunch program, general expenses, equipment and improvements, in addition to the original appropriation for 1963-64.

8. To see if the school district will authorize the school board to set up a Capital Reserve Fund, and raise and appropriate a sum of money not to exceed \$7,000.00 for the purpose of re-roofing the school. This Capital Reserve Fund will be held in custody by the trustees of trust funds of the town.

9. To see if the district will vote to adopt a plan for extending to employees of the district the benefits of title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 301 and 332 of the Laws of 1955 and to raise and appropriate the sum of \$108.75 to defray the district's share of the cost thereof.

10. To see if the district wishes to exclude from the plan services in any class or classes of positions filled by popular election.

11. To see if the district wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

12. If a plan for Social Security coverage is adopted, to see if the district will authorize the school board to execute on behalf of the district the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the district will designate the Chairman of the School Board as the officer to be responsible for the administration of the plan.

13. To transact any other business that may legally come before this meeting.

Given under our hands at said Cornish this twenty-third day of February, 1963.

MICHAEL M. YATSEVITCH
HARRIET D. RUNNALS
JAMES L. FARLEY

Report of the School Board

The Cornish School Board hereby expresses its grateful appreciation for the devotion and generous service to the school children of Cornish given by the officers, teachers and employees of the School District during the past year. This appreciation is also extended to those who have enriched the course of education by gifts of books, pictures and other articles. Our thanks also to those who have aided the physical education, especially to Mr. Jesse Stone and the Cornish Fire Department for maintaining the excellent skating rink near the Town Hall.

The School Board has held regular monthly meetings, and many extra sessions, and has kept in close contact with all phases of the school operation. Many of the problems which once beset us have been resolved. The sewerage system was mapped, cleaned and repaired. In the near future the schoolhouse roof will need substantial work done on it, and an article has been inserted in the warrant to that effect, based on a recommendation submitted by a professional roofer. The problem of icing on the doorsteps of the school, with always the possibility of injury resulting from that, is still a serious one, and it is hoped that this can be corrected in the coming year.

The Board, as instructed by the 1962 meeting, has investigated, under Article 9 of the 1962 warrant, "any possible alternative to the rising cost of high school tuition." The sense of the 1962 meeting was that the board investigate the possibility of adding a ninth grade to the present eight grades at the Cornish School.

To comply with these instructions, some statistics were necessary. The statistics used hereinafter are from: the 1962-63 Cornish School budget, and from figures supplied on a statewide average basis by the New Hampshire State Department of Education.

1. Cornish has currently (1962-63) 32 pupils on a tuition basis in the 9th Grade. Fifteen are costing the district \$420 each at either Stevens High School or the Woodstock County School for a total of \$6,300; 17 are costing the district \$380 each at Windsor High School for a total of \$6,460; the total cost of ninth grade education coming to \$12,760. The above figures do not take into consideration that the Stevens charges are rising by \$20 per pupil for 1963-64, or that the Windsor charges are rising by \$30.

2. Of all the communities in New Hampshire which have an equalized valuation per pupil in Cornish's range (roughly \$9,000

on 1958-59 figures), only three, Epping, Farmington, and Stratford, maintain high schools. This would seem to indicate that school districts with this sort of tax basis have found it inexpedient to maintain high schools.

3. Using average figures for the state (1960-61) for the cost per pupil for high school students, the Board found the following: administration, \$11.97; instruction, \$306.97; fixed charges (Social Security, Retirement, etc.,) \$23.27. This totals \$342.21 per pupil. Though this total is less than the average of \$400 per pupil it cost the district to send tuition pupils to the 9th grade in 1962-63, it should be pointed out that the lower figure does not take into consideration such average state costs as auxiliary activities \$66.86, and capital outlay, \$201.66. These together total \$268.52, and would bring the total per pupil cost to \$610.73.

4. The last two listed figures cannot be ignored, for a number of reasons. First, adding a ninth grade would not mean adding simply one more teacher. It was the opinion of the State Department that, at the minimum, at least two would be needed; one to teach English and Languages, and one to teach Mathematics and Science, and somehow combining these two to teach Geography, Civics, and/or History. Second; the school as now constituted has no room for an additional grade, unless the clumsy expedient of using the cafeteria as a classroom were utilized. Further, it has no laboratory facilities for Science. Thus, a significant, though undetermined, capital outlay would have to be made for physical expansion and equipment. Third, but not most unimportant, a ninth grade added to the Cornish School would not, again without a sizeable outlay of funds, be able to afford to its students the flexibility of curriculum and extra-curricular activities that Stevens and Windsor now offer. As only a partial listing the Board points to the choice afforded students in these two schools, in Shop, Home Economics, Business, or College Preparatory courses; the opportunity to participate in supervised gym classes, varsity sports, dramatics, periodicals, chorus, the arts, debating, and such allied activities. Cornish could not hope to offer its 9th Grade students even a part of this, without an enormous outlay.

5. Because of all of these reasons, the Board feels that it would be inexpedient and costly to attempt to establish a 9th Grade, and it further feels that Cornish parents would be unhappy with a makeshift arrangement.

The Board has made a special study, and executed some activity in order to comply with the wishes of the District, expressed by a resolution adopted at the 1962 District Meeting to "- - - continue careful and thorough inquiry into phonic methods of instruction (of reading) in the elementary grades, with due consideration of

available equipment, published text-books and other material and report its findings to the Annual Meeting of the District in 1963 . . .".

It is a fact that the teaching of Phonics as a separate study has been a part of the school curriculum for the past four years, and that regular periods for this study have been required to be scheduled each day. The Hay-Wingo method (Lippincott) was adopted at that time, and the results of this move are being felt, evoking the cry, though feeble, that harder and more challenging material is needed. This is good, and as it should be.

A Reading Workshop was held at Cornish last April 18th., and 19th., and teachers from all of the Union were invited to attend the two afternoon and evening sessions. Mr. Mosher, principal of the Charlestown Elementary Schools, acted as chairman. Representatives of the Rowe-Peterson Co. spoke of Phonics in connection with their published texts and materials. Their reading specialist, Miss Pritchard, demonstrated a reading lesson, using some of our 3rd grade youngsters for it. Mr. Economopolis, State Superintendent of Elementary Education spoke, and Dr. Gertrude Stearns of Plymouth Teachers' College told of the general trends of teaching reading in colleges, warning the group to be careful in the adoption of methods not approved by the leading authorities of education. Dr. Comerford of Keene Teachers' College was also with us.

Your Board feels that this was a worth while activity in the right direction, but that good teaching should not confine itself to one method as being better than another, since all methods have some merit, or they could not long exist. We believe we have only touched the surface of exploring methods of teaching Phonics, and that these explorations should continue with some degree of regularity, having the support and continued interest of all the citizens.

Another activity which is being introduced for the first time in many years is Teachers' Visiting Day. The Cornish Faculty has been invited to spend an entire teaching day in their respective grades in the Randolph (Mass.) Schools on March 20th. At Randolph, the Hay-Wingo method of teaching phonics has been established for many years, so this rare opportunity for our teachers to compare their efforts with those who have used it so long will be invaluable. They will not only be able to compare the progress of their own students in Reading, and the allied subjects of Spelling, Composition and Grammar, but they will discover other methods and various other ways which other teachers have found effective. They will have the opportunity of an exchange of ideas, other texts, and other materials which they might feel would be good for Cornish, and ask for their adoption.

Your Board hopes the Teachers' Visiting Day will become a yearly activity, and that our school will be much benefitted by these contacts. We recommend that the continued exploration of all subjects be encouraged, thus broadening our curriculum. Teaching, by its very nature, must continue to be a growing profession, because it deals with growing humans in a growing country, and science continues to stride ahead in every field of endeavor. It cannot, and must not be confined, lest we become an isolated entity.

At this time we wish to express our regrets at the passing of Ellsworth Perkins, who served the school so long and well as our janitor. We were very fortunate that Orville Fitch was available to fill in for a few days, and we are most grateful to Ralph Train, who, with civic spirit donated his time until another janitor could be found. Indeed, we were most fortunate at having found Lionel Tracy to replace Ellsworth, and we are sorry that he cannot continue with us.

Again the School Board desires to enlist the aid of every parent in its efforts to strengthen the teaching program of the school in the fundamental requirements of learning. However, we should like to point out that when serious breaches of discipline occur, these disrupt the school, and it is not only the responsibility of the Board and the faculty to handle them, but also the responsibility of the parents.

MICHAEL M. YATSEVITCH
HARRIET D. RUNNALS
JAMES L. FARLEY

Members of School Board.

Superintendent's Report

To the Cornish School Board and Citizens of the Town, I herewith submit my Annual Report as Superintendent of Schools:

TEACHING STAFF

School opened this past September with three new members on our teaching staff as follows:

Mr. Richard H. Carson was appointed Assistant Principal and instructor in Grade 8. He succeeded Mr. Gale Hennessey who resigned to accept a position in Wilton, N. H. Mr. Carson graduated from Harding College in Arkansas and is a resident of Erie, Penn. At mid-year Mr. Carson resigned and Mr. Daniel Budd was appointed to succeed him. Mr. Budd graduated from Plymouth Teachers' College and formerly lived in Lebanon, N. H.

Mrs. Hilda Hull was appointed instructor in Grade 2. She succeeded Miss Maria Suojanen who resigned to accept a position in Claremont. Mrs. Hull graduated from Lyndon Teachers' College in Vermont and resides in Hartland, Vermont.

Mrs. Frances Lane was appointed instructor in Grade 4. She succeeded Mrs. Julia Anderson who resigned to accept a position in Dunbarton, N. H. Mrs. Lane graduated from the University of Connecticut and resides in Claremont.

Other teachers returning to continue their services in the Cornish School are listed below:

Marjerie Kidder	Grade 1
Lillian Symons	Grade 3
Doris Williams	Grade 5
Marion Stone	Grade 6
Eva Bernard	Grade 7 (Principal)
William Brys	Music Supervisor

SCHOOL BOARD MEETINGS

The School Board has held regular monthly meetings throughout the school year, except during the months of July and August when the school was closed for summer vacation. The superintendent has been in attendance at these meetings, to provide an appropriate agenda for the business at hand. Special school board meetings were called in January to plan the school budget for the next year. Mrs. Runnals was appointed bookkeeper for the board and Mr. Farley secretary.

SUPERINTENDENT'S RECOMMENDATIONS

1. That the position of principal be made a full time supervisory assignment beginning with the opening of school in September 1964. With the addition of a teacher for Grade 7, the principal would be free to look after the administrative duties of the building and devote some time to Guidance. Also, with such an arrangement, the Principal could act as a floating teacher and eliminate the necessity and expense of hiring substitute teachers in the case of sickness within the staff.
2. That the position of custodian be made a full time year round assignment. This would enable us to give more attention to the care and upkeep of the building. As an economy measure the janitor would be able to carry out the summer program of painting and minor repairs and eliminate the need and expense of hiring additional labor for this extra work.
3. That some thought be given to the matter of re-roofing the building in the near future. Also, that steps be taken to re-decorate the exterior of the building which is in a condition warranting immediate attention.
4. That a fence be erected along the main highway which would be a desirable precaution against children being exposed to traffic hazards during play periods. Also it would improve the appearance of the front entrance to the building.

STATE AID AND INCOME

We are pleased to inform the citizens of Cornish that we have received from the State the sum of \$32,055.36 for our share of the State Foundation Aid. Also, the sum of \$1,692.00 in Building Aid. These monies were available to reduce the amount of money necessary to be raised for schools by local taxes. Only about \$76,000.00 represents the cost to local taxpayers for support of the schools in Cornish.

1962 - 1963 SCHOOL ENROLLMENT

Grade 1	27 Pupils
Grade 2	26 Pupils
Grade 3	19 Pupils
Grade 4	30 Pupils
Grade 5	29 Pupils
Grade 6	29 Pupils
Grade 7	26 Pupils
Grade 8	29 Pupils
	—
Total	215 Pupils

REPAIRS AND IMPROVEMENTS

During the summer vacation the entire building was cleaned, the windows cleaned inside and out and the floors washed and waxed.

A new stainless steel sink was installed in the kitchen. This has been a great help to the cafeteria workers and made a decided improvement in the appearance of the kitchen. We have been more than satisfied with the fine work done by our custodian, Lionel Tracy. His interest and help has been much appreciated by the teachers and the school officials.

CAFETERIA

Mrs. Weld and Mrs. Ackerman have been in charge of the school cafeteria again this year. Mr. Barrus has been kind enough to handle the bookkeeping for this department and we appreciate his interest in our school. Very excellent lunches have been provided for those children who have desired to make use of this school service. Others bring lunches from home. Government surplus foods have aided materially in the operation of the department. This helps us to keep costs down and enables us to serve lunches at a minimum of charge to pupils and teachers.

SCHOOL ENROLLMENT SURVEY

The superintendent's office has completed a survey of projected school enrollments in all towns of Union No. 5, covering a period from 1963 - 1967. The results of this survey would indicate a downward trend in school population the next four years. Below are the projected figures, based on the 1962 October census.

	1963-64	1964-65	1965-66	1966-67
Grade 1	22	20	18	19
2	30	22	20	18
3	28	30	22	20
4	23	28	30	22
5	30	23	28	30
6	32	30	23	28
7	30	32	30	23
8	27	30	32	30
	—	—	—	—
Totals	222	215	203	190

In closing I wish to express my appreciation to the teachers for their cooperation. I wish also to thank the members of the School Board for their help and support.

Respectfully submitted,

NOYES C. STICKNEY, SR.

Superintendent of Schools.

SUPERINTENDENT'S SALARY 1961 - 1962

Acworth	\$ 240.00
Charlestown	1,500.00
Cornish	570.00
Goshen-Lempster	330.00
Langdon	120.00
Unity	240.00
	<hr/>
	\$3,000.00
State's Share	\$5,000.00
	<hr/>
Total	\$8,000.00

Principal's Report

Several new members joined the faculty of the Cornish School this year. Mrs. Hilda Hull of Hartland, Vermont is instructor in the 2nd Grade; Mrs. Frances Lane of Claremont, in the 4th Grade and Mr. Richard Carson of Pennsylvania is Assistant Principal and the 8th Grade teacher. Mr. Carson, who has resigned will be succeeded by Mr. Daniel Budd of Plymouth Teachers College.

William Brys continues his excellent work as music supervisor. Band and vocal music, as well as music appreciation, are included in his program.

Mrs. Walter Gobin of Plainfield, our administrative aide, has proved a time-saver for me and a help to the other teachers. Her duties include monthly checking of registers, help with registers when needed, supply list checking, routine 'phone calls, clerical work, etc. We all thank Mrs. Gobin for her help and co-operation when needed.

Many parents, we are happy to note, have visited our classrooms. Parents' visits are always welcomed. Time has been reserved after school for conferences on special appointment and if the problem is such that we cannot reach a satisfactory solution, Supt. Stickney, members of the School Board and Miss MacIver, our nurse, are always ready to help.

The Zaner-Bloser penmanship system has been installed in grades one through six. This replaces the Kettle method.

The intensive phonics training in the lower grades has begun to show results in improved upper grade reading.

As much time as possible has been spent on math and language. Intensive drill in math and much oral and written work in language, will, we hope, strengthen these areas.

We have many new books on our classroom shelves, some supplied by the School District, but many of them personal gifts. Teachers and pupils wish to thank the donors at this time.

Our new coat-racks have added much to the appearance and convenience of our building.

We are grateful to our custodian, Mr. Lionel Tracy, for keeping our school building in excellent order and for the many extra services he has so willingly and pleasantly done for us; to Mrs. Weld and Mrs. Ackerman, for the well-planned and "tasty" lunches served, particularly for the bountiful Christmas dinner, served in a beautifully

decorated cafeteria; to the P.T.A. for the entertaining and educational programs provided; to the Stowell Library, for the privilege of borrowing books for use in our classrooms; to parents and friends whose cooperation throughout the year has helped us in our work.

Again we have special thanks for the Cornish School Department, Mr. Jesse Stone and the members of the Cornish Fire Department for the construction and maintenance of our skating area. It provided a much needed source of recreation for the lower play-ground during the winter months.

To my fellow teachers, whose cheerful and friendly co-operation I appreciate; to Mr. Stickney, our superintendent; to Miss MacIver, our nurse, and the members of our School Board, all of whom have helped make this a successful year, I extend my sincere thanks.

Respectfully submitted,

EVA BERNARD

Principal

REGINALD P. DAVIDSON
District Treasurer

Auditor's Report

We, the undersigned, hereby certify that we have examined the accounts of the school board of Cornish School District for the year ending June 30, 1962 and find them correctly cast and properly vouched.

JESSE B. DEMING

WILMA G. BARTON

School District Auditors

in the Town of Cornish, N. H.

Report of School Lunch Administrator

During the school year 1961-62 the Cornish School Lunch served about 17,000 meals to the school children, averaging about 100 to 110 per day.

The School Lunch account opened the year with a balance of \$9.34, and closed the year with a balance of \$261.60, after paying \$100.00 toward a new sink, which had been long recommended by the New Hampshire School Lunch Dept.

This balance represents an income over expenses of about 2c per lunch. Substantial quantities of surplus foods have been provided by the State and Federal governments, and the School Lunch has been especially fortunate to receive home grown vegetables through the generosity of the Cornish Grange and Mr. Clifford Sawyer.

The Cornish School Lunch has acquired a notable reputation for both quantity and quality of meals served, not only in Cornish, but also in the surrounding communities.

The 17,000 meals served during 1961-62 represent considerable increase over the previous year when about 15,000 were served the children.

This year there is a further small increase in lunches served, and the operation shows a small but steady increase in income over expenses. Thus far, for the school year 1962-63 the school lunch maintains its present favorable condition, due for the most part to the hard work and devotion of the cooks, Mrs. Weld and Mrs. Ackerman.

This being my first annual report as school lunch administrator, I wish to thank all those who have contributed to the success of this venture for the benefit of the children.

ALVAN BARRUS

Administrator

Report of the School Nurse

In submitting my tenth annual report to the citizens of Cornish I would like to summarize a portion of the work carried out in the school health program during the 1961-62 school year.

Two hundred thirty-one vision tests were done and followed by twenty-four re-checks. From this number fifteen vision defects were found and thirteen of these children were examined by an eye specialist.

Two hundred nineteen hearing tests were done and followed by eight audiograms. One child was examined by a physician and removal of tonsils improved the hearing of the child.

Two hundred twenty-six children were weighed, measured and checked for noticeable defects.

Dental Health continues to be a major problem in all areas. The Cornish P.T.A. has been very interested in this problem and for the past eight years has supported and sponsored a Dental Clinic for the benefit of the Cornish School children. Needless to say only a small number of children can receive assistance through this program. Funds are limited. During this past year eighteen children were examined and treated by Dr. Houlihan of Claremont. The children, for the most part, look forward to "going to the dentist". We appreciate the fine work Dr. Houlihan has done for these children as well as his real interest in dental problems of school children.

A Tuberculin Patch Testing program is carried out yearly in grades one, three, five, seven and eight. One hundred twenty-three children were given the Patch Test. Two were followed up with chest x-rays. All reports were negative. This program is carried out with the assistance of the N. H. Tuberculosis Association and the N. H. State Department of Health. There is a very minimal charge for the chest x-rays.

Immunization Clinics were held during the year. Two hundred three school children received booster inoculation of Salk Vaccine, as well as twenty-one pre-school children and eighteen adults. Forty-one children in grades one and two received Diphtheria-Tetanus Toxoid. Twenty-one pre-school children received Triple Toxoid and fourteen pre-school children were vaccinated against Smallpox.

During the summer, Sabin Vaccine (oral Polio Vaccine) was made available to all pre-school children. Clinics were held in Claremont and many Cornish children attended. In September, 1962, Sabin Vaccine was made available to school children. Adults as well as pre-school Clinics were held at the Cornish school. Type one Vaccine was given in September, Type three in October and Type two in November. One hundred fifty-nine school children, seventeen adults and two pre-school children completed the series of vaccines. A small donation was asked for this vaccine, which was provided by the Sullivan County Medical Association. I sincerely hope that at a later date those who have not had the Sabin Vaccine will attend future clinics. Poliomyelitis can be stamped out with this new vaccine.

I would like to express my thanks and appreciation to all of you for your fine support and interest in the health program of the school.

Respectfully submitted,

FLORENCE C. MacIVER

School Nurse.
